ect.- Annual maintenance grant and cost of the establishment required for the Memorial of H.H.the Maharaja Chamaraja Wadayar Bahadur, G.C.S.I., at Calcutta, and other matters connected therewith.

---:::::::::---

Opinion of the First and Second Councillors.

The grants asked for may be sanctioned, and debits made as suggested by the Financial Secretary.

Dewan's opinion.

In reporting the action taken on the orders of Government in regard to the execution of certain items of work connected with the Calcutta Memorial, the Executive Engineer, Palace Division, solicits orders on the following points:-

(1) design submitted by Mr. Thornton for the glass canopy over the Brindavanam,

(2) glass doors to the anteroom,

(3) the establishment to be maintained and the uniform to be provided,

(4) An annual maintenance grant,

(5) the maintenance of Tipperah Monument.

Point 1 This point has already been disposed of in the Government order of 2nd April 1907, and the Chief Engineer has issued orders approving of Mr. Thornton's design.

Point 2. The Chief Engineer proposes to obtain an English plate glass door with gun metal frames.

Point 3. In para 6 of the Government order of 2nd April 1907, it was ordered that an establishment consisting of one watchman, one [illegible]

gardener and one under gardener might be entertained. The scale of pay proposed is Rs.11 each for the watchman and the head gardener and Rs.9 for the under gardener. This would cost Rs.31 per mensem. The Financial Secretary and both the Councillors are in favor of this establishment being sanctioned out of State Funds. This may be approved.

I solicit His Highness' orders in the matter of the uniform and badges to be given to the establishment.

4. An annual allotment of Rs.1,000 as proposed by the Chief Engineer, for the maintenance of the works, may be sanctioned. This will, as pointed out by the Financial Secretary, have to be provided for, from the ordinary P.W. grant.

5. In regard to the Tipperah Memorial, Messrs. Martin & Co., write as follows:-

" We would suggest that the Maharaja be advised before any repairs are done thereto; we believe it is His Highness' intention to rebuild the Memorial in stone."

In the Government order of 2nd April 1907 it was directed that the small repairs required for the building, such as white and colour washing and plastering may be carried out at the expense of Government. This seems to be all that is necessary. Messrs. Martin & Co. possibly refer to an intention of the Maharaja of Tipperah to rebuild the Monument in stone.

His Highness' order.

I approve of the proposals generally.

As regards uniform, it will, I think be sufficient if the watchman is given a dark coat, belt and badge as supplied to Government peons. The Malis will not require uniform.

Order thereo No. G.1567-8/G.M.45-06-05.

Dated Bangalore, 28th August 1907.

As the design sent by Mr. Thornton of Calcutta of the glass canopy over the Brindavanam has been adopted by the Chief Engineer, no further orders are needed on this point.

As regards glass doors to the gate room the proposal of the Chief Engineer to obtain an English plate glass door with gun metal frame is approved.

An establishment consisting of one Mali and one head gardener at Rs. 11 each per mensem etc. are sanctioned

gardener on Rs. 9 a month may be entertained. The cost of the above establishment will be a charge on the State Funds and will be provided for under General Administration.

As regards uniform to the establishment it will be sufficient if the watchman is given a dark coat, belt and badge as supplied to Government peons. No uniform is required in the case of Malies or gardeners.

An annual allotment of Rs. 1000/- for the maintenance of the Memorial works at Calcutta is sanctioned to be provided for from the ordinary P. W. grant.

As regards the Tipperah Memorial the ordinary repairs required for the building such as white and color washing and plastering contemplated in the order of the 3rd April 1907 read above., seems to be all that is necessary and may be carried out at the expense of this State. Further instructions on this point will be issued after the consent of the Tipperah State is obtained to this arrangement.

Dear Mr. Matthan,

In reply to your note of yesterday's date which I received today, I beg to state as follows.

On a second perusal of the Private Secretary's D.O. of the 16th instant, I think (as you say) he means that ~~~~ Rs 20 were sent from his Office because it was reported that worship had stopped and not that Rs 20 were being sent monthly.

From a perusal of the Pulaya Kanarese wife's letter of 29th Dec. 1907 and his English letter of 28th idem it would appear that he was getting Rs 11 per month as pay through Messrs Martin and Co. and 6 annas per day amounting to about Rs 11/4.

per measem through the Agent
of the H. H the Maharaja of Vizianagaram,
on account of the cost of
Puja articles. He thus
appears to have been getting
about Rs 22-4-0 per measem
which sum has to be paid to him
until the new arrangements
are brought into force
and money is made available
therefor by the issue of the
orders the drafts of which
have now been submitted.
Most of the amounts fixed
in the draft order will have
to undergo revision on receipt
of items from the Collector's report
as to the actual requirements
required. The Purjaries pay therefore
may hereafter be put down at
such figure as he is actually
now drawing viz Rs 11 instead of
Rs 10 provided in the Order.

I have made corrections
in my office note and in
the draft order as suggested
by you.

If you want any
further information I
would suggest your kindly
obtaining it from the
Private Secy's Office or from

local cases.
